

To All Lovett Families:

In the February 2006 *Lovett Lines*, Upper School Principal Bill Dunkel outlines what Lovett is doing to provide students with the essentials for success in the 21<sup>st</sup> century. One critical tenet of that effort is encouraging our students to know more about the world – to truly be global citizens.

The Lovett International Alliance (LIA), a newly formed parent organization, recognizes the wealth of knowledge and experience within the Lovett parent body, and wants to give parents the opportunity to be a resource for global learning.

Potential participants are parents who were born or raised outside of the U.S.A. or those with careers involving significant time abroad. Other possibilities include parents who maintain an interest, hobby, or collection that is international in nature. Please consider serving as a potential resource to the Lovett faculty. You can become a part of the new **LIA International Parent Partnership Resource**, and be called upon by faculty of all three school divisions to share your gifts and knowledge at times during the school year when they tie in with specific coursework.

Please complete the information below and mail to **Cheryl Worthy-Pickett at 2129 Briarlake Trace, N.E. Atlanta 30345-3669** or fax to 1-866-445-2470 by July 15. Questions? Contact Kim Sackey at [sackeyfamily@aol.com](mailto:sackeyfamily@aol.com).
