Grades 9–12 Individual Parent Tours

To schedule an individual parent tour with a member of the admission office staff, please call Marie Davie at (404) 262-3032, ext. 1244. Applicants are offered the opportunity to visit the grade to which they are applying. During these visits, which usually occur at the beginning of the school day, the applicant's experience includes attending an advisory group meeting and two academic classes with a current student ambassador. The Lovett School does not consider these visits as part of the admission process, and whether or not a child visits does not influence our admission decisions. Families are also invited to attend our Open House, scheduled for Saturday, December 8, at 1:00 PM. This event offers parents and applicants an opportunity to explore the upper school curriculum, meet teachers and administrators, and learn more about the extensive extra-curricular offerings at Lovett.
