Classes fill quickly and space is limited. Registration will be on a first-come, first-served basis. Full refunds of tuition will be made in the event that a class is cancelled by Lovett. In the event a student withdraws four weeks prior to the start date, a tuition refund will be made, minus the \$75 processing fee. If a student withdraws fewer than two weeks prior to the start date, no tuition refund will be made. Upon registration, **if you are a Lovett student, your account will be billed in full** (\$800). If you are not a Lovett student, please send the application with a check for the full tuition (\$800). Make the check payable to the Lovett School. The student's name should be indicated on the check. In case of withdrawal due to illness, the family and the school will share the loss equally. Written notice from a physician will be required before the refund is issued. No reduction can be made for late entry, early departure, or withdrawal for any reason other than cited above unless previously requested in writing and approved by the Summer School Director. Course descriptions are available by following the summer school link at [www.lovettschool.org](http://www.lovettschool.org), in The Lovett Summer Programs catalog, or from the Summer School Director. Classes are open to rising ninth through twelfth-grade students (except as noted), and students from other schools are welcome. **If a student wishes to take a summer school course at another institution for Lovett credit, the student must submit a written request to the Upper School Dean of Academic Affairs. The request must be approved by the Dean prior to enrollment in that summer school course.**
