

Emergencies

If an emergency arises during school hours call Mrs. Owlett in the Upper School Office, 404.262.3032. Jimmy Jewell and Karey Walter will be checking in with Mrs. Owlett throughout each day and will transfer any emergency information to the group/groups. On previous JOE experiences this has been necessary on only one occasion. The Pisgah Rangers are another contact point but they are usually not able to search the trails for one of the Lovett groups. They do have a roster of each Lovett group with the proposed itinerary and camping locations.

JOE has well-constructed emergency plans, and each leader is familiar with those plans. The group leaders know the location of telephones and school busses. While these plans are designed to facilitate the evacuation of an injured student they are rarely employed. Lovett has never experienced a major injury during JOE.

Questions

Call, or e-mail, Jimmy Jewell (jjewell@lovett.org), 404.667.7337 or Karey Walter (Kwalter@lovett.org) 404.643.6550
