Leave Atlanta on **I-85 north**, going toward South Carolina.

At the GA/SC border take **SC 11**, Scenic Foothills Parkway. (There is a welcome station at this exit.)

Stay on 11 for about 33 miles. At that point turn left on **SC 130**.

At the NC/SC border 130 becomes **NC 281**. Stay on 281 to **US 64**.

Turn right on US64 toward Rosman and Brevard.

Stay on **64 through Brevard**. This will take you along the main street of Brevard.

As you go through Brevard you will pick up **US 276** coming in from the right, south. **Continue east** on US 64/276.

Stay on 64/276 until 276 turns left into the Pisgah National Forest. This intersection is east of Brevard. This is a major intersection with shopping centers, etc.

You are entering the Pisgah National Forest. You will pass the Ranger Station on the right.

Several miles passed the Ranger Station the road forks. The left fork leads to the Fish Hatchery/Pisgah Center for Wildlife Education while the right continues as US276.

Take the left fork to the Fish Hatchery (2 miles), but stay on 276 to reach the Pink Beds, which are another 4 to 5 miles. The Pink Beds Parking lot will be on the right, after the Cradle of Forestry exhibit.
